

# WELCOME TO THE VILLAGE

In Napa Valley, wine is a way of life. Vista Collina makes it easy for guests to experience the local culture with nine unique tasting rooms all housed in The Village, conveniently located at the resort. Eight boutique wineries and one taproom showcase the diversity of Napa and bring an incredible experience to any event held at the resort.

Enclosed are our group tasting experiences for you to explore. We look forward to welcoming you to The Village.

# WINE BLENDING... MAKE YOUR OWN WINE.

Turn your team into wine makers with a fun event where everyone can have the opportunity to create their own unique blend. Our wine blending experts give you the basics and then it's time for everyone to get creative and blend their own wine. This experience makes a great team-building event too!
